

LOFI | Configuration 1

24 in / Black frame / White basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Black frame / White basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P224352; basin: W2615P210288

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 2

24 in / Black frame / Red basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Black frame / Red basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P224352; basin: W2615P210343

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 3

24 in / Black frame / Purple basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Black frame / Purple basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P224352; basin: W2615P210340

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 4

24 in / White frame / White basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / White frame / White basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P210291; basin: W2615P210288

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 5

24 in / White frame / Red basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / White frame / Red basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P210291; basin: W2615P210343

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 6

24 in / White frame / Purple basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / White frame / Purple basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P210291; basin: W2615P210340

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 7

24 in / Gold frame / White basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Gold frame / White basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P230675; basin: W2615P210288

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 8

24 in / Gold frame / Red basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Gold frame / Red basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P230675; basin: W2615P210343

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

LOFI | Configuration 9

24 in / Gold frame / Purple basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	LOFI-600
Configuration	24 in / Gold frame / Purple basin
Installation	Freestanding console
Size	24 in nominal width; Support frame W × D × H: 590 × 350 × 720 mm
Cabinet / support material	Metal support frame
Basin material / arrangement	Rectangular ceramic integrated basin
Component references	frame: W2615P230675; basin: W2615P210340

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.
