

VICI | Configuration 1

Chrome frame / White basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Chrome frame / White basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P226058; basin: W2615P226055

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

VICI | Configuration 2

Chrome frame / Black basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Chrome frame / Black basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P226058; basin: W2615P241610

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

VICI | Configuration 3

Chrome frame / Grass Green basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Chrome frame / Grass Green basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P226058; basin: W2615P226050

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

VICI | Configuration 4

Gold frame / White basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Gold frame / White basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P243103; basin: W2615P226055

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

VICI | Configuration 5

Gold frame / Black basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Gold frame / Black basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P243103; basin: W2615P241610

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.

VICI | Configuration 6

Gold frame / Grass Green basin

Factory reference image; scene fittings are illustrative.

Factory model / source label	VICI
Configuration	Gold frame / Grass Green basin
Installation	Wall mounted ceramic console with freestanding support legs
Size	Dimensions confirmed in quotation
Cabinet / support material	Stainless steel support legs
Basin material / arrangement	Ceramic integrated basin
Catalogued assembly	Disassembled
Component references	support: W2615P243103; basin: W2615P226050

Confirm final supplied components, installation drawings, MOQ and current lead time in the quotation.
